# Freddy Martinez

Chicago, IL - [redacted]

## WORK EXPERIENCE

**LUCY PARSONS LABS, Chicago, IL**
*Founder and Executive Director, October 2016 to Present*

- Founded and lead a leading privacy and civil rights organization in Illinois.
- Obtained public records and published an exposé describing a secret Chicago Police Department budget used to obtain surveillance equipment.
- Exposed a warrantless cell-phone surveillance program deployed by the Chicago Police Department, leading to the passage of state legislation implementing warrant requirements.
- Organized a coalition of community groups to oppose a warrantless drone surveillance bill in the Illinois Senate.
- Lead trainings on public record requests for lawyers, journalists, and community groups.
- Acted as plaintiff in over forty FOIA litigation cases seeking improperly withheld public records.
- Lead numerous investigations into the use of ALPR technology over many years.

**PROJECT ON GOVERNMENT OVERSIGHT, Washington, D.C.**
*Senior Researcher, August 2022 to November 2023*

- Led POGO's work on warrantless surveillance including comprehensive reform to the Foreign Intelligence Surveillance Act.
- Published original reporting including on DHS's systemic mistreatment of migrants.
- Led internal trainings on software development for our reporters using Python.

**OPEN THE GOVERNMENT, Washington, D.C.**
*Senior Policy Analyst, March 2019 to August 2022*

- Publish original records, such as facial recognition technology covered in a front-page exposé of the *New York Times,* spawning numerous Congressional investigations and international regulatory action.
- Organize a coalition of experts to introduce comprehensive Freedom of Information Act (FOIA) reform in the 117th session of Congress.
- Analyze trends in federal FOIA legislation and litigation, implementation by federal agencies, and challenges faced by record requesters.
- Research, publish, and present on emerging technologies used in policing, immigration, technology, and surveillance.

**FREEDOM OF THE PRESS FOUNDATION, San Francisco, CA**
*Mozilla / Ford Open Web Fellow, September 2017 to August 2018*

- Completed a fellowship at the Freedom of the Press Foundation to protect and advance public-interest journalism and First-Amendment freedoms.
- Assisted newsrooms in installing the anonymous whistleblowing platform SecureDrop.

**EXPEDIA, Chicago, IL**
*Software Developer, November 2016 to September 2017*

- Collaborated with infrastructure and platform team to securely migrate to Amazon Web Services.
- Supported internal teams as the primary escalation point for legacy systems.

**ORBITZ, Chicago, IL**
*Linux Systems Administrator II, July 2015 to November 2016*

- Promoted internally to train new employees on corporate platforms.
- Developed and maintained internal tools in the bash and Python programming languages.
- Monitoring internal databases, deployments, and website health using automated and manual tools.

**ORC SOFTWARE, Chicago, IL**
*Systems Administrator, April 2013 to July 2015*
- Debugged trading strategies and trades with sub-second precision in multiple programming languages.

**STERLING TRADER, Chicago, IL**
*Software Support, September 2011 to April 2013*
- Provided technical support to financial firms and individual traders on high-frequency trading platform.
- Assisted programming team in writing software samples in multiple programming languages.
